

IRWA Members

Acquisition Sciences, Ltd. (ASL) is looking to expand to our ASL Team in Las Vegas, Nevada. As you may be aware, ASL has been providing exemplary Project Management, Acquisition and Relocation services throughout the Western Region, concentrating in Arizona and Nevada for almost 30 years.

We are currently looking to expand our Team in the following division:

Right of Way Research Agent Full Time Contract Position

Agent shall provide right-of-way research services, document preparation services, and/or acquisition services to assist a local utility provider in the acquisition of rights-of-way, easements, temporary easements, permits, and other land-use interests for natural gas pipeline systems and related facilities.

This is an onsite contractor position in Las Vegas, Nevada. Compensation dependent upon experience.

Requirements:

- Perform research of land records for encumbrances, use and property ownership. Assist with government agency applications for rights-of-way, easements, temporary easements, rights-of-entry, permits, and other land interests for natural gas pipeline systems.
- Ability to analyze and interpret land right documents
- Ability to read and plot basic property descriptions (land descriptions)
- Interpersonal/Negotiation skills
- Experience with MS Word and Excel
- Ability to produce project reports, schedules, and cost estimates
- General knowledge of construction design plans
- Valid driver's license
